YOURS

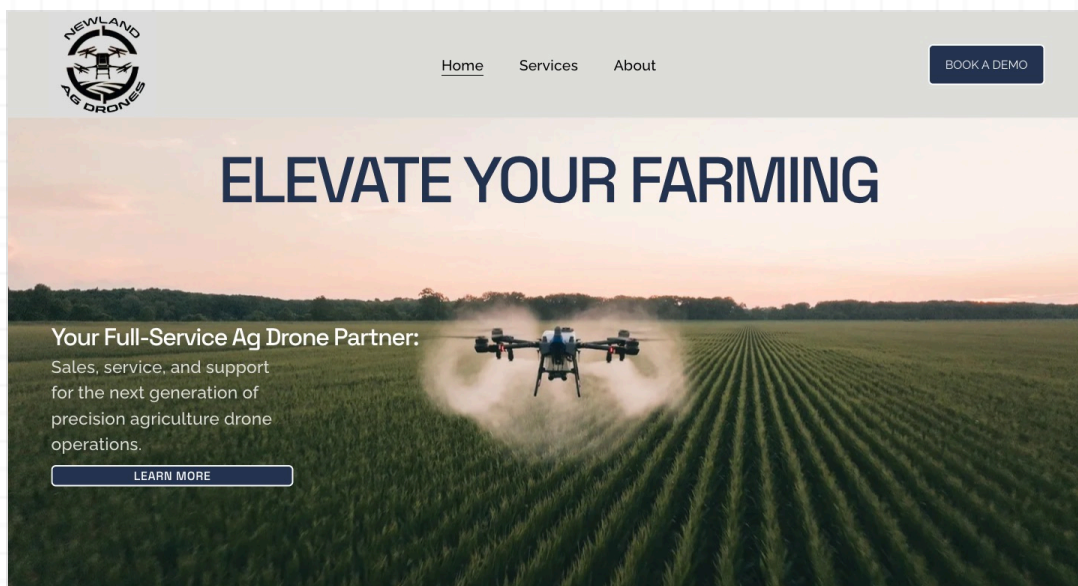

Yours to keep
site and domain stay in your
Squarespace account

01 WHERE WE STARTED

What we built it around.

- 01 We will keep your fleet mission-ready.
Your service promise. Option 1 hangs your dusk spray photo as a dealer's wall calendar, and picking a day books the demo.
- 02 Walk away confident.
Your training line. Option 2 walks round your own drone, lighting up the parts each training topic covers.
- 03 Keep your operations in motion through every season.
Your service center. Option 3 turns your photos on a roadside billboard that never stops, with repairs and the season beside it.

06 QUESTIONS

The usual questions.

01 Will moving hurt my Google ranking?

Nothing moves. You stay on Squarespace, at the same addresses, with the same pages and business details, so everything Google already knows keeps working. The new design is fast and built for phones first, which Google rewards. We don't promise rankings.

02 Is it secure?

Yes. Your site stays on Squarespace, which looks after the hosting, security updates and checkout. The new design is tested on a preview of your real site before anything goes live.

03 Who owns it?

You do. The site and the domain stay in your Squarespace account, in your name. Nothing of ours renews unless you ask.

04 How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from \$250 a month, cancel anytime.

05 When do I pay?

Half (\$1,250) when you say go, the rest (\$1,250) when the site is live. You've seen the homepage before paying anything.

06 What if the drones I carry change?

Then the site changes with it. Product pages are built to swap.
